

ENVIRONMENTALLY RESPONSIBLE

Product Code: ERP-RTC-05
Made in the USA

Areas of Use:

Floors
Walls
Concrete
Tools
Grill Hoods
Machinery

Ready To Clean

Super Duty Degreaser

DESCRIPTION

Formulated using MicroEmulsion 3G Technology. A readily biodegradable, ready to use super duty "green chemistry" based cleaner-degreaser that dissolves oil and protein based soils better than conventional butyl-based products. Recommended for use on all food processing equipment and food service areas. May also be used on walls, desks, tables and other hard surfaces. Non-flammable and contains no solvents. Addresses the environmental, safety and health concerns facing today's household.

DIRECTIONS

FOR GENERAL CLEANING: Simply spray onto soiled surface. Wipe off with a clean absorbent cloth, towel, micro fiber or damp sponge.

FOR FOOD PROCESSING AREAS and EQUIPMENT: Simply spray onto soiled surface and allow to stand a few moments. Surfaces that come in direct contact with food products require a potable water rinse; otherwise rinsing is not usually necessary.

FOR HEAVY DUTY DEGREASING and INDUSTRIAL CLEANING: Simply spray onto soiled surface and allow to stand at least 5 minutes. Scrub or brush thoroughly and rinse with clean water.

A concentrated version of this product is available; please contact your local distributor for ordering information.

PRODUCT SPECIFICATIONS

Color:	Purple
Odor:	Pleasant
pH: (Conc.)	10.5 - 11.5
Recommended Dilution:	RTU
Viscosity:	Water thin
Foam:	Moderate
Rinsability:	Complete with water
Solvents:	None
Abrasives:	None
Flash Point:	None
Biodegradability:	Complete
Storage/Stability:	2 years
Weight per Gallon:	8.36 lbs/gal.
Freeze/Thaw Stability:	Keep from freezing
